"There is always one little shiny pebble in every family, someone who just sparkles a little brighter". For our family Marcelo was it. It seems like everyone on that flight was a shiny pebble. I like to think that God wanted his own team and he chose the one at Marshall University. He wanted the players, the coaches, the doctors and trainers, and the fans too.

On a rainy hill side in Wayne County, West Virginia, the lives of 75 people were lost in the worst single air tragedy in NCAA sports history. Among the losses were nearly the entire Marshall University football team, coaches, flight crew, numerous fans, and supporters. The event marked a boundary by which an entire community would forever measure time... before or after "The Crash" 1970 Marshall University Football Team
